---

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Duke Power Company for an extension in which to prefile testimony and exhibits from January 3, 1996 to January 10, 1996. The Company states that it did not receive the Complainant's testimony in a timely fashion, and therefore the Company requests an extension of the time in which to prefile its Respondent's testimony.

The Commission has examined this matter and believes that the request of Duke Power Company should be granted and that it be given until January 10, 1996 to prefile and serve its testimony and exhibits.
